

Newfoundland and Labrador Natural Stone Working Group

Mandate: To address issues relative to the Newfoundland and Labrador dimension stone industry and to develop and lead initiatives in support of that industry.

The working group was established in 2001 as an initiative of the Dimension Stone Sector Specialist with the former Dept. of Industry, Trade and Rural Development. It is comprised of representatives from the Newfoundland and Labrador Chamber of Mineral Resources, the Atlantic Canada Opportunities Agency, the Dept. of Natural Resources and the Dept. of Innovation, Trade and Rural Development.
