WORK STATUS

Are you legally entitled to work in Canada? YES: NO:

I authorize you to obtain references from my past present employer(s).

I hereby certify that all statements made in this application are true and complete to the best of my knowledge and belief. It is understood that the employer may, at any time, take such steps as seen fit to verify the information on this form and I hereby consent thereto. I further agree that a natural omission, withholding or misrepresentation with respect to this information may be cause for denial or immediate termination of any employment offered or accepted.

NOTE: - Applicants must 1) currently be a post-secondary student AND 2) be returning to a undergraduate or graduate program in Fall 2017. - Geological field programs may be conducted in remote areas for extended periods of time. Duties may involve strenuous manual labour and walking long distances over rugged terrain, boat work, and the use of ATVs, planes and helicopters.
