

Procurement Activity Report

Period: January 1, 2017 – June 30, 2017

Introduction

Nalcor and its subsidiaries set its principles and procedures in accordance with the Public Tender Act. Nalcor subsidiaries consist of Churchill Falls Labrador Corporation, Bull Arm Fabrication, Oil & Gas, and Lower Churchill Project.

Purpose

In accordance with the Energy Corporation Act, Nalcor does hereby submit a summary of procurement activities.

Objective

Nalcor ensures fair and ethical practices are in place to meet its responsibilities and is guided by procedures in accordance with the following principles:

1. To achieve best value, Nalcor requires a comparative analysis of all relevant costs and benefits for each proposal throughout the whole procurement cycle.
2. Providing full and fair opportunity Nalcor ensures that all local enterprises are able to engage in fair competition for the Corporation's business.
3. Encouraging Competition, for effective completion Nalcor promotes effective communication the supplier market.
4. Efficient and effect use of resources in procurement is enhanced by conducting transparent, fair and appropriately competitive processes of a scale commensurate with the size and risk profile of each particular project.
5. Procurement conducted in an ethical manner will enable purchasers and potential suppliers to deal with each other on a basis of mutual trust and respect.
6. Accountability and transparency encourage the efficient, effective and ethical use of resources.

Detailed Procurement Component Summary

Public Tender

Nalcor requires Public Tendering for goods and support services over \$10,000.00 for construction and maintenance work over \$20,000.00 and for lease of space where total annual cost is in excess of \$30,000.00

For all lines of business with the exception of Lower Churchill Project, Nalcor reports by number of line items not purchase orders. Purchase orders, blanket orders and contracts constitute these line items. Lower Churchill reports by contracts and purchase orders.

Legend:

OP – Purchase Order, primarily for goods

OB - Blanket Order, Service contracts, some maintenance work, Supply Agreements.

OS – Contracts, Construction and Maintenance
