Re: Changes to the MIRIAD Online Staking Payment Screen

Dear MIRIAD User,

On February 27, 2016 changes will be made the payment screen of the MIRIAD online staking application to comply with new Payment Card Industry (PCI) compliance standards. The current payment screen (as shown below) requires the user to enter credit card information and authorize payment on the same screen.

Online Mineral Claims Staking System
Step 4: Authorize Payment

Your billing information is displayed below. Please review your billing information to ensure that it is accurate and complete before proceeding.

Billing Information

Contact Information:		Staking Option:
Client Number:	5405	Accept all or none
Company Name:	Lake, Justin	In the event of overlap with another staker's claims, you choose to accept the entire area if it is available, but accept none of the area if it is only partially available.
Address:	50 Elizabeth Avenue St Johns, Newfoundland and Labrador Canada A1B 4J6	
Billing Amount:		
Recording Fees:	\$135.00	
Deposit Amount:	\$450.00	
Total Payable:	\$585.00	

Enter credit card payment information:

Note: Only VISA and Mastercard are accepted for online payment.

Card Type:

Card Number (no spaces please):

Expiry Date:

Cardholder Name (as it appears on the card):

Please note that credit card information will not be processed until you have reviewed the payment invoice and provide final authorization in the next step.

PAYMENT SUMMARY

A total of \$585.00 will be charged to your credit card. As you have selected the staking option "Accept all or none", in the event that the area is no longer available when you submit, staking will be cancelled and no funds will be charged to your credit card.

Click Authorize Payment to complete this transaction.

The changes being made will require payment information and payment authorization be

completed on separate pages to comply with the new PCI compliance standards.

Your billing information is displayed below. Please review your billing information to ensure that it is accurate and complete before proceeding.

Billing Information

Contact Information:		Staking Option:
Client Number:	5607	Accept all or none
Company Name:	Office of the Chief Information Officer	In the event of overlap with another staker's claims, you choose to accept the entire area if it is available, but accept none of the area if it is only partially available.
Address:	Higgins Line St. John's, Newfoundland and Labrador Canada A1B 4J6	
Billing Amount:		
Recording Fees:	\$135.00	
Deposit Amount:	\$450.00	
Total Payable:	\$585.00	
Cardholder Name:	Nat Resources	
Card Type:	VISA	

The credit card holder and card type indicated above will be charged using the credit card details previously defined. The payment information entered is not stored within the mineral rights claims staking system. The credit card payment information expires in:

04 Minutes and 33 Seconds

Please note that credit card information will not be processed until you have reviewed the payment invoice and provide final authorization in the next step.

PAYMENT SUMMARY

A total of \$585.00 will be charged to your credit card. As you have selected the staking option "Accept all or none", in the event that the area is no longer available when you submit, staking will be cancelled and no funds will be charged to your credit card.

Click **Authorize Payment** to complete this transaction.

If you are not satisfied or wish to change your options, click **Previous** to return to the appropriate screen, or **Cancel** to return to the Main Menu.

Please note that users will also be required to enter the three digit Card Verification Number found on the back of their credit card as part of the payment information.

Users will also have 5 minutes to authorize payment after the payment information is submitted; if the payment is not authorized within this time, the payment information must be resubmitted.

MIRIAD users having questions or concerns about the above changes are encouraged to contact the Mineral Lands Division

Yours sincerely,

Justin Lake
Manager, Mineral Rights
