MINERAL RESOURCES REVIEW 2010: TECHNICAL PROGRAM

WEDNESDAY, November 3  Pre-Conference short-courses

9:00 am-5:00 pm  PEGNL-sponsored Short Course: Geometallurgy - Applications to Exploration and Production
James Connolly and Hugh de Souza, SGS

9:00 am – 1:00 pm  Prospectors’ Short Course: Preparing Option Agreements
Stewart McKelvey (Colm St. Roch Seviour, Tauna M. Stailand and Steven A. Scruton) and others

2:00 pm - 4:30 pm  Exhibitors set-up – Salons and Crush Lobby

5:00 pm - 7:00 pm  EXHIBITORS’ RECEPTION in Mines Branch Poster Area

THURSDAY, November 4  (Official Opening and Morning Sessions)

9:00  Minister’s Welcome and Minerals Sector Outlook
Hon. Kathy Dunderdale, NL Minister of Natural Resources

9:20  CIM Newfoundland Branch President’s Welcome
Bob Kelly, General Manager, Teck Duck Pond Operations

9:30  The Newfoundland and Labrador Mining Sector in 2010: Industry Highlights and Government Programs
Richard Wardle, Assistant Deputy Minister, Mines Branch, NL Dept. of Natural Resources

9:55  Review of the Geological Survey’s 2010 Activities
Lawson Dickson, Director, Geological Survey, NL Dept. of Natural Resources

10:10  Achieving a Better Standard for Mineral Exploration Sites and Quarries.. or .. Would You Do That In Your Own Back Yard?
Ken Andrews, Director, Mineral Lands Division, NL Dept. of Natural Resources

10:25  2010 - Everything Old is New Again
Alex Smith, Director, Mineral Development Division, NL Dept. of Natural Resources

10:40  REFRESHMENT BREAK

11:00  CIM Newfoundland Branch Keynote Address: Mining Matters – Expanding IOC’s Horizons
Zoe Yujnovich, President, Iron Ore Company of Canada

11:30  Mastering Aboriginal Inclusion in Mining
Victoria LaBillois, National Director, Employer and Partner Relations, Aboriginal Human Resources Council

12:00  Nunatsiavut Government
Darryl Shiwak (First Minister & Acting Minister of Lands and Natural Resources)

12:20  Innu Nation
Joseph Riche, Grand Chief

12:40  SANDWICH LUNCH
THURSDAY, November 4  (Afternoon Sessions)

TRADE SHOW, CORE SHACK and PROSPECTORS TENT continue

2:00 pm - 4:30 pm MINES BRANCH REVIEW AND POSTER SESSION

- New data and program updates: Geological Survey, Mineral Development, Minerals Lands
- Geological Survey of Canada TGI4 Initiatives
- Iron Ore and Rare Earth Metals
- Petroleum Geoscience programs
- Minerals Strategy

TECHNICAL SESSION: Mining Projects

2:00  A New Strategic Direction for the NL Chamber of Mineral Resources
      George Ogilvie, Chair, NL Chamber of Mineral Resources

2:10  Boundary, Open Pit Phase:
      Greg Tucker, Superintendent of Technical Services, Teck Duck Pond Operations

2:25  Over the Top - Anaconda Mining Inc.‘s Implementation of Contact Cell Technology
      Allan Cramm, General Manager, Pine Cove Project, Anaconda Mining Inc.

2:40  Canada Fluorspar Ltd: Update on St Lawrence project
      Lindsay Gorill, President and CEO, Canada Fluorspar Inc.

2:55  Beaverbrook Antimony Mine at Full Production
      Ryan Newman, Mine Geologist, Beaver Brook Antimony Mine

3:10  REFRESHMENT BREAK

3:30  Big and Getting Bigger – Positioning Ourselves for the next 50 years
      Tayfun Eldem, Vice-President, Expansion Projects and Engineering, Iron Ore Company of Canada

3:45  Labrador Iron Mines - Moving to Production
      John Kearney, Chairman and CEO, Labrador Iron Mines Holdings Ltd.

4:00  New Millennium: Canada’s Next Iron Ore Producer
      Robert Martin, President and CEO, New Millenium Capital Corp.

4:15  Wabush Mines/Cliffs’ Global Strategy
      Pat Ryan – Assistant Resident Manager, Wabush Mines

BREAK FOR DINNER

7:30 pm  Geological Survey Annual Public Lecture (Salon B):
      “The Lore and Allure of Diamonds”  Hamish Sandeman

Followed by  MEET & GREET in Mines Branch Posters Area and Trade Show
FRIDAY, November 5 (Morning Sessions)

9:00 - 4:30  MINES BRANCH POSTER SESSION, CORE SHACK, PROSPECTORS TENT and TRADE SHOW continues

TECHNICAL SESSION: Geology, Exploration, Developing Projects and Commodities

9:00  An Update on the Long Harbour Project
      Tom Paddon, General Manager, Vale Operations, Newfoundland and Labrador

9:20  Developing the Ming Copper - Gold Mine while Focusing on Tomorrow's Opportunities
      Peter Mercer, Vice-President Corporate Development, Rambler Metals and Mining Plc.

9:40  The Rare-earth Renaissance: The Geological Context of Active Exploration Programs Across Labrador and Newfoundland
      Andy Kerr, Geological Survey, NL Department of Natural Resources

10:00 Strange Lake: An Overview of Geology, Alteration and Mineralization of Quest Rare Minerals' B Zone
      Patrick Collins, Senior Project Geologist, Quest Rare Minerals Ltd.

10:20  REFRESHMENT BREAK

10:40  The Outlook for Newfoundland and Labrador's Non-ferrous Metals
      Raymond Goldie, Vice-President, Senior Mining Analyst, Salman Partners

11:10  Teck – A Growing Diversified Canadian Mining Company
      John Thompson, Vice-President, Technology and Development, Teck Resources Limited

11:40  Targeted Geoscience Initiative 4: Increasing Exploration Effectiveness
      Alan Galley and Mike Villeneuve, Geological Survey of Canada, Natural Resources Canada

12:00 A Study of the Gold Mineralization at the Viking Property: Evidence for Orogenic Gold Mineralization in the Humber Zone
      Matt Minnett, Dept. of Earth Sciences, Memorial University

12:30  CIM NEWFOUNDLAND BRANCH LUNCHEON

FRIDAY, November 5 (Afternoon Sessions)

2:00  Mineralization in Eastern Labrador: New Perspectives and New Targets
      Charles Gower, Geological Survey, NL Dept. of Natural Resources

2:30  Metallogeny of the Northern Norrbotten Fe-oxide Cu-Au Province, Northern Sweden
      Olof Martinsson, Dept. of Chemical Engineering & Geosciences, Luleå University of Technology, Sweden

3:00  Mineral and Hydrocarbon Exploration in New Brunswick: Alive and Well in 2010
      Malcolm McLeod, New Brunswick Department of Natural Resources

3:20  Gold Lines
      Howard Poulsen, Consulting Economic Geologist, Ottawa
4:00 CANADIAN MINING INNOVATION COUNCIL PRESENTATION
5:00 CURLING BONSPIEL followed at 7:30 by SOCIAL

SATURDAY, November 6 (Morning Session only)

8:00 – 12:30 CORE SHACK and PROSPECTORS TENT continues
8:00 CIM NEWFOUNDLAND BRANCH AGM

9:00 Marathon High Grade Zones, Increased Resource: Update on the Leprechaun Gold Deposit
Sherry Dunsworth, Project Manager, Marathon PGM Corp.

9:15 Porphyry-style Cu-Mo-Au in the Gaff Topsails... a New Exploration Target in NL
Lawrence Winter, Vice-President Exploration, Altius Minerals Corp.

9:30 Buchans Minerals Corporation - Exploration Highlights
Paul Moore, Vice-President Exploration, Buchans Minerals Corporation

9:45 Exploration at Hope Brook Gold Project, Newfoundland
Bill Pearson, President and CEO, Castillian Resources Corp.

10:00 Crosshair’s 2010 Exploration Program
Stewart Wallis, President and CEO, Crosshair Exploration and Mining Corp.

10:15 Cornerstone Resources Inc. - Update on the Little Deer Copper Project
Terry Brace, Vice-President Exploration, Cornerstone Resources Inc.

10:30 REFRESHMENT BREAK

11:00 Intrusion-Related Gold Mineralization at the Huxter Lane-Brady Property, Central Newfoundland
Timothy Froude, Vice-President Exploration, Golden Dory Resources Corporation

11:15 Valentine Lake and Glover Island – Two of the Most Prospective Gold Plays in Newfoundland
Gary Woods, President and CEO, Mountain Lake Resources Inc.

11:30 Paragon Minerals South Tally Pond Project - Targeting Additional Massive Sulphides at Lemarchant and Beyond
David Copeland, Exploration Manager, Paragon Minerals Corporation

11:45 Rare Earth Metal Mineralization in the Red Wine District, Labrador
Wayne Reid, Director, Rare Earth Metals Inc.

12:00 Search Minerals Port Hope Simpson Rare Earth Element District
Randy Miller, Vice President of Exploration, Search Minerals Inc.

12:15 Exploration Update - Silver Spruce - Newfoundland and Labrador
Peter Dimmell, Vice-President Exploration, Silver Spruce Resources Inc.

12:30 EXPLORATION LUNCHEON

END OF TECHNICAL PROGRAM
